## Precinct Caucuses To Be Held March 16

Information from the Colorado Department of State - Elections Division

Precinct caucuses are meetings organized by Colorado's political parties to begin the process of selecting candidates and policy positions for the 2010 election. Caucuses are held in locations across Colorado and are open to the public.

### The precinct caucuses will be held on March 16, 2010.

Precinct caucuses are open to the public and participation is encouraged by the political parties.

In order to vote in any precinct caucus of a political party the voter must meet the following requirements:

- The voter must be a resident of the precinct for at least 30 days;
- The voter must have registered to vote no later than February 16, 2010;
- The voter must have been affiliated with the party holding the caucus by January 19, 2010;

> Except that any voter who turns 18 or becomes a naturalized citizen during the two months prior to the caucus may vote in the caucus even though he or she has not been affiliated with the political party for the required time period.

Precinct caucuses may be held in a public place or a private home that is open to the public during the caucus. The caucus location must be either within the precinct or proximate to the precinct. The county central committee or executive committee of the political party is responsible for determining the time and place of the caucus.

All places established for holding precinct caucuses must be designated by a sign posted no later than March 4, 2010.

Caucus attendees may elect officers who will be responsible for organizing political activities within the precinct. Caucus attendees may also elect delegates and alternates to represent the precinct at the political party's county or district convention.

A voter can determine the precinct that they are currently registered in by visiting the secretary of state website and reviewing their voter registration information.

<http://www.sos.state.co.us/>

To obtain information about a caucus in your precinct contact the political party with whom you are affiliated.

The County Assembly/Convention is held between March 26 and April 15, 2010. The county assembly is convened to designate candidates for the August 10, 2010 state primary election and to select delegates to the congressional district assemblies and the state assembly.

The date for the Congressional District Assembly/Convention is determined by the chairperson of the district committee. The assembly is convened to designate district level delegates to the national convention. Also, the delegates nominate candidates for Congress, the Colorado General Assembly, the State Board of Education, the Board of Regents, and District Attorneys.

The State Assembly/Convention is held by June 1, 2010. Candidates are nominated for statewide offices, delegates are elected to the national convention and

policy platforms are debated.

## The numbers have a Meaning!

What does that long number designation for the precincts mean? It may look like just an arbitrary number assigned to create confusion, but no, each series of numbers means something specific. Let's take the precinct number for Keenesburg and surrounding area for instance:

4 2 3 6 5 6 2 3 1 0

- 4 - 4th Congressional District
- 23 - Colorado Senate District
- 65 - Colorado House District
- 62 - Designates Weld County
- 3 - 3rd Weld County District
- 10 - Actual precinct number

Thank you to Mark Kauffman for this information and location info, and to Candy Veldhuizen for the Democratic caucus location information.

## Republican Precinct Caucus Locations

Precinct #	Location	Address
4234862300	Fort Lupton Middle School	201 South McKinley Avenue - Fort Lupton
